

Part No.# A9110

TECHNICAL DATA SHEET

MOULD RELEASE

(Silicon Free)

DESCRIPTION: Non Silicon Paintable Heavy duty mould Release agent.

APPLICATION AREAS: For all types of rubber and plastic mouldings. It is particularly effective for injection or compression moulding of plastic, rotational moulding of thermoplastics & compression or vacuum bag moulding of thermoset resins.

PRECAUTIONS:

Can is under high pressure. Do not puncture or incinerate it even when apparently empty. Store below 50°C . Use in well ventilated areas. Do not spray into or around open flames and sparks. Exposure to heat, which exceeds 120°C, may cause busting of the can. Keep out of reach of children.

CHEMICAL AND PHYSICAL PROPERTIES

PHYSICAL STATE	LIQUID
APPEARANCE	COLOURLESS
SOLUBILITY IN H2O	INSOLUBLE
ODOUR	ODOURLESS
RELATIVE DENSITY	0.78

STORAGE & SHELF LIFE: The product may be stored at normal ambient temperature and has a shelf life of not less 2 years with correct storage. Aerosol should always be stored below 50°C, away from direct heat and naked flame.

TECHNICAL SERVICE: AARNA LUBE PVT LTD. provides technical support under the program of research and development. For any enquiry contact us at details provided below.

Packing: - 300gm/500 ml, Aerosol Cans.
