

Part No.# A9112

TECHNICAL DATA SHEET

AUTO CONER SPRAY

DESCRIPTION: It's formulation is based on synthetic oils used for mild lubrication.

APPLICATION AREAS: It's applications involve sliding parts of textile machinery including auto corners.

PRECAUTIONS:

Can is under high pressure. Do not puncture or incinerate it even when apparently empty. Store below 50°C . Use in well ventilated areas. Do not spray into or around open flames and sparks. Exposure to heat, which exceeds 120°C, may cause busting of the can. Keep out of reach of children.
